

USFA 1000 - English as a Secondary Language Course

The ESL - English as a Secondary Language course provide students with basic skills in reading, writing, and speaking English. The primary objective of the ESL is to assist students who wants to improve their English language skills to the level whereby they can function in a rigorous academic enviornment. The ESL will provide instruction with the highest quality faculty, and strictly limits class size in order to maximize the impact of instruction and supervision of students. Class placements are determined based on an assesment of English language proficiency at the time of admission.
