Dear Mr. Boe,

The City of Big Spring Airport & Industrial Park would like to thank you for your participation in our Business After Hours event. The event was a great opportunity to showcase your company as well as get familiar with all of the other businesses located on the Airport and Industrial Park.

The U.S. Flight Academy plays a huge role in the overall success of the airport and in perpetuating the growth of the aviation industry. Your enthusiasm and dedication in teaching the art of flying is a wonderful asset to our community. We look forward to many more years of partnership at the McMahon-Wrinkle Airport.

Most Sincerely,
