

*September 16, 2009*

***NATIONALLY RECOGNIZED TWO YEAR DEGREE***

***Cost outlines Two Year Associate Professional Pilot Degree from Utah Valley University with Certified Flight Instructor Instrument and Airplane Certifications at U. S. Flight Academy and General Requirements at Howard College.***

*U. S. Flight Academy, Big Spring, Texas*

<b><i>Commercial Pilot Single- and Multi-Engine Instrument Airplane Land</i></b>	<b><i>\$34,720</i></b>
<b><i>Certified Flight Instructor Airplane and Instrument</i></b>	<b><i>\$ 2,990</i></b>

*General Requirements Howard College, Big Spring, Texas*

<b><i>18 Credit Hours General Education</i></b>	<b><i>\$ 936</i></b>
---	----------------------

***Each semester add \$77 building and student fees in addition to books***

*Utah Valley University Internet based aviation Degree Program, Orem, Utah*

<b><i>38 Core and 9 Elective Aviation Credit Hours</i></b>	<b><i>\$ 7,990</i></b>
--	------------------------

***Add \$35 application fee***

*Total tuition expense will be \$46,636.*

***Total duration is expected to be two years, and it is recommended to emphasis aviation initially in order to become job ready and have the opportunity to start working as a pilot while completing the degree work. When emphasizing aviation initially a Commercial Pilot's license can be achieved in as little as 6 months.***

***If wanting Certified Flight Instructor Multi-Engine add \$4,850.***

***For further information please contact U. S. Flight Academy at 432-264-7335 or above address.***

*Tuition costs are subject to change without notice.*
